PRIDE OF COLONIAL

It's
Personalities

Mrs. Kitts, our guidance counselor, is always willing to help with a problem.

It's
Achievements

Mr. and Mrs. Dodson, our custodians, are always ready to lend a helping hand.

It's
Sportsmanship

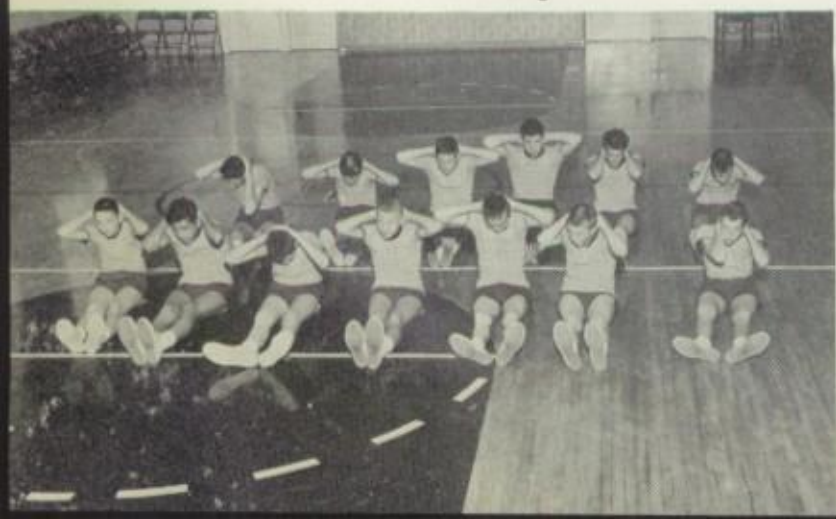

It's
Opportunities

It's
Patronage

Boys! Pay
attention!

"ASDFJKL" Sound familiar? It's Mrs. Ellis drilling her typing students.

Mrs. Pettry is instructing her class on Christmas decorations.

BEACH HIGH SCHOOL

Watching the last of the line go through, the cafeteria staff (Mrs. Mears, Mrs. Mudd, Mrs. Butler) smile as another meal has been served.

Mrs. Stotts conducts an experiment in Chemistry.

Biology students learn all about aquariums and terrariums.

Mrs. Thomas is never too busy to help one find information or to suggest a good book.

DEDICATION

The teacher of today is more than an educator. She must be a person of adequate training and ability to meet the high standards set by society.

The teacher holds in her hands the minds of today's youth. The training and skill they acquire today will largely determine their success tomorrow. Of course, the teacher can not do this alone, she must have the cooperation of the students. Therefore, the teacher must be wise beyond academic facts. She must have the patience and understanding to cope with her students. Even more important is the desire to help them-----to give unselfishly of her time, her skill and herself.

People of this nature are deserving, yet seldom rewarded. They believe firmly that it is better to give than to receive, and to do.

We have at Colonial Beach High School such a person. To show our appreciation for her untiring service and devotion to us and our school, we gratefully dedicate the 1963-64 "Goldentide" to our librarian, Mrs. Hattie P. Thomas.
